

Newsletter

June 2024

Welcome back to another addition of our newsletter, it's summer and we here at Kejora Karimunjawa are so ready for all the excitement it brings! Keep reading to find out what we've been up to and what we have planned too. All this is possible because of your generous donations, and we really appreciate all of your support.

**Kejora
showcases local
artists and talent
at our Cultural
Event Night!**

**In the coming
weeks, Kejora
will organize
more workshops
and exciting
activities!**

We have been successfully running a new fundraising event for the last three weeks, Kejora's Cultural Event Night. Here we showcase some of the island's talent, traditional Javanese dancing, live music and even a fire show! We can host up to 50 guests, providing them with an authentic dinner at the iconic Bukit Love, where guests can enjoy the sunset while watching the performance.

We are also launching some other workshops that raise awareness about the local environment and culture with batik and eco print workshops, cooking workshops and a baby sea turtle release project. All the proceeds of these activities go towards funding our educational projects.

Kejora Karimunjawa Collaborates with

**BUILD A
SECOND
CLASSROOM
TOGETHER!**

Wilde Ganzen is a Dutch foundation dedicated to fight poverty worldwide by supporting small-scale, concrete projects that make a sustainable difference in communities. They assist in realizing projects that contribute to better living conditions and opportunities for a brighter future. As the goals of Wilde Ganzen align perfectly with the projects of Kejora Karimunjawa, with great enthusiasm we announce that Kejora Karimunjawa has entered into a collaboration with the Wilde Ganzen. In our previous newsletter, we shared the news that the Kejora Karimunjawa Foundation is now officially established in the Netherlands. We are now delighted to inform you that our application to the Wilde Ganzen foundation has been approved.

Why This Collaboration?

Due to the continuous growth of Kejora Karimunjawa, both in the number of projects and the number of students, we have the need to build an additional classroom. This new classroom, like our other buildings, will be constructed entirely from bamboo.

Your Donation is DOUBLED!

Thanks to our collaboration with Wilde Ganzen, we have a unique opportunity: for every euro that Kejora Karimunjawa receives in the Dutch bank account **NL66 RABO 0189 6488 05** under the name Stichting Kejora Karimunjawa, Wilde Ganzen will double the amount! You can also scan or click on the QR code to do a direct donation.

SPS & KLS Kejora Celebrates the end of our First Year

We celebrated our last day of school on June 19th, 2024. The SPS students practiced songs and dances for weeks leading up to our graduation ceremony. The parents joined us and we had a wonderful time celebrating two students graduating kindergarden and 13 of our students moving from preschool to kindergarden. Congratulations to all our littler learners! Also all KLS students showed great improvements in their English skills and have successfully completed the course.

In July we will begin a new school year and welcome new SPS & KLS students! We also planning to start a new course for kids in high school, and private tutoring classes. This year 50% of our students benefited from full or partial scholarships. You can sponsor a full scholarship for only € 25 a month.
